- Tues 28<sup>th</sup> Jan Paid Book Packs can be collected
- Wed 29<sup>th</sup> Jan Years 1-6 First Day Term 1
- Thurs 30<sup>th</sup> Jan Foundation First Day Term 1

## From the Principal:

Dear school community,

As we come to the close of the school year, we are working to optimise our learning time for students before the long Christmas break. For the remaining 3 weeks of the year, classes will continue as usual for literacy, numeracy and other lessons. Given that, we ask that parents ensure that children are attending school right up until the last day.

Over the last semester in particular, the leadership team has been conducting "learning walks" where we talk with students while they are in their learning sessions about what they are learning and how they can develop their learning through accessing information and assistance. What we have noticed over time is that through the inclusion of clear **Learning Intentions** which are explicitly discussed with the whole class, and **Success Criteria** that enable students to access the level of work that is appropriate to them; our students have a clearer understanding of their learning. This may not seem like a lot, however, in the development of a thinking culture, one of the most important areas we needed to work on was ensuring that there was a clear difference between what work is and what is learning. After all, work is something that can be finished when the task is done, it can also tend to be viewed as onerous. Learning on the other hand is something that is a building block that results in the improvement of an individual person and helps them to be a contributor. Learning is a continuous process that brings excitement and inspiration. This work will continue for our whole school in 2020 and we look forward to offering opportunities for parents to become more involved in this.

### Holiday Learning

As you will all appreciate, over the Christmas break, we often lose some of the progress that we have made in particular areas of the curriculum. Whilst having the opportunity to play and enjoy family events and summer in general is very important, we also recognise that many families are keen to continue some aspect of school learning during this break. This year for the first time, we are putting together a home learning pack for students and their families to access during the break. This should be a fun experience for the children and they are likely to want their parents to join them in working through some of the learning activities. I encourage you all to take a look at what is sent home for the children and help them be best prepared for a fantastic 2020 school year.

## From the Principal:

### 2020

Very shortly we will be issuing a letter to each family outlining who their child's teacher is and the make up of the co-teaching team they will be working with. We are very pleased to announce that most of the co-teaching teams will be the same in 2020 as they were in 2019. Teachers in those teams are pleased to continue the work they have been focussed on in their team's Teaching Sprints in 2019 and building on the expertise of the groups.

Next year Catherine Vermeltfoort will be returning to Healesville Primary School and Georgia Stanke and Jillian Brooks will be moving on to broaden their horizons in new schools. We thank these teachers for their work at Victoria Road Primary School and wish them well in their new school communities.

Next year the Grade 1/2 team will be led by Cherry Hynam. Cherry began work with us in this year in the role of teacher of students with additional needs. Cherry has expertise in generalised class teaching but also in the teaching of students with a variety of learning needs. Cherry is currently completing her Masters degree in Functional Behaviour Assessment and will be a great asset as a team leader in our school. Joining our team is Brian Clarke, Brian is currently a teacher at Heathmont East Primary School and is experienced in many areas including the teaching of PBS. We are also pleased to welcome Nicole Smith to the team, Nicole is very enthusiastic about becoming part of our Victoria Road Community and has a real interest in thinking curriculum and PBS. Both Brian and Nicole have expressed their enthusiasm in working as part of a co-teaching team.

When you read through the list of staff for 2020, most of you will notice that there is one name that has been on the list for the last 30 years but is not there this time. Janne Malbon has decided that 2019 will be her last year of her teaching service and will be retiring. Janne will have long service leave for the first part of 2020 before retiring part way through the year. Janne has offered many years of service to our school and community and is known and loved by many. We will be sad to see her go but excited for her as she steps into this new part of her life knowing that she will now have plenty of time to enjoy being a grandmother to her little ones and to attend even more Bulldogs games that she is normally dedicated to doing. Best wishes Janne!!

I hope you all have a wonderful weekend.

Kind regards,

Lisa

## From the Assistant Principal:

It's a really exciting time for all of us here at Victoria Road Primary School. During our classroom visits the leadership team has been impressed by the focus and dedication that our teachers and students show towards their learning. At this time of year it can be so easy to focus on the festive season and the upcoming holidays and whilst this is important, I'm pleased to report that we are still engaged as a learning community ready for our next challenge.

On Friday our attention will turn to our fundraising and fun event the Run4Fun Colour Explosion. Please come down on Friday afternoon to support our runners! We are also looking forward to our Christmas concert on Thursday 5th December. Our students have been busy practising their items and the Noise Craft music groups are sounding great and prepared to entertain.

As the year comes to a close, it's really important to stress that every day at Victoria Road presents itself as a day for many learning opportunities. Helping our students stay in routine by getting them to school on time each day ensures a positive conclusion to the school year.

Hopefully, we will get to see you at one of our school events coming up soon!

Kind regards,

Peter Humphreys

## Office News:

### School Canteen:

Our school canteen operates on Wednesday's and Friday's.  
Online ordering is available.  
Canteen menu is available outside the office.  
If you can help out please let us know at the office!

### OSHClub:

For all bookings and enquiries: 1300 395 735.  
To contact Alison directly: 0476 802 866  
The school office does not take messages or bookings regarding OSHClub.

### School Banking:

Our school banking day is Tuesday.

### Breakfast Club:

Tuesday mornings at 8.45am in the Community Room (opposite the office). Everyone welcome!

Breakfast Club provides a healthy breakfast and is run by volunteers.

Please let us know if you have allergies.

***Do you have any milk bottle lids, juice lids and bread tags? If so Breakfast club has a tub to collect these items to donate to 3D Hand printing! Thank you!***

## School Uniforms:

Uniforms can be bought from the Community Room (opposite the office) at the following times:

Tuesday: 8:30–9:00 & 3:00–4:00  
Friday: 8:30–9:00 & 3:00–4:00

Prices are as follows:

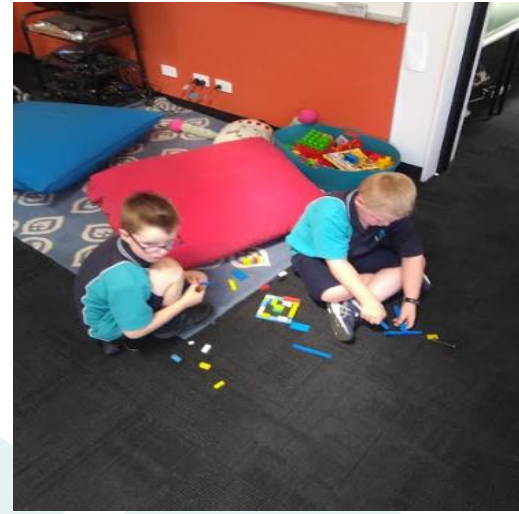

Short sleeve polo	\$30
Jacket	\$37
Hat	\$15 (compulsory for Term 4 & Term 1)
School Bag	\$42
Summer Dress	\$36

***Please remember that Hats are compulsory to wear in Term 4 & Term 1 of each year!***

At this stage the uniforms are only for sale during the above stated times. If you are unable to make these times please call the office to make alternative arrangements. **A big thank you to all the parents who have been helping out and volunteering their time sell our new school uniforms! You are a wonderful support to our school.**

## Foundation:

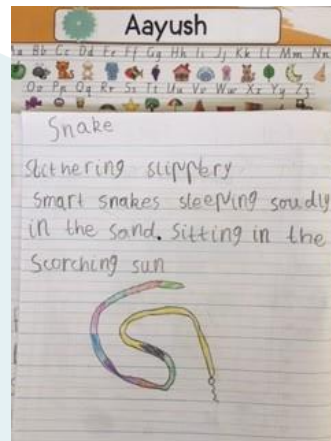

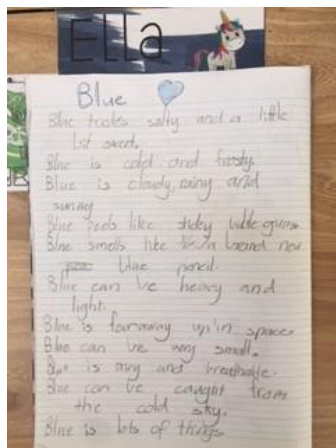

This month we have been carrying on with our active brains and active body focus in Foundation Sport. With many fun activities and challenges we have been learning about basketball, obstacle courses, LEGO, throwing and catching. Our Grade 5/6 buddies are always present to give us a hand and help us with the skills we need to keep improving. Well done Team Foundation!

## Year 1&2:

The 1/2's have been busy little bees this month! In literacy, we have exploring poetry and the children are being very creative indeed! Poem types that we have looked at so far include, Alliteration poems, Acrostic poems, Repetitive poems, Haiku poems, colour and senses poems, Rhyming poems and Concrete poems.

In inquiry the 1/2's have been learning how to program the Dash and Dot Robots through an obstacle course designed by them. It's been a blast watching the students design their course and use a trial and error process to improve it or make it more creative. We can see some real thinking happening here!

With the upcoming Grade 1 Fun Night and the Grade 2 Sleepover just around the corner, we are all getting very excited. Looking forward to seeing the wonderful grade 1's and 2's for a night full of fun!

Grade 1/2 Teachers

## Year 3/4:

What a busy and exciting year we have had. Still plenty of activities coming up, such as the Run4Fun Colour Explosion and Christmas Family Fun Night.

Plenty of learning has been happening in Year 3/4...

### LITERACY

We have been focusing on poetry in reading and writing sessions. Students have been studying various forms of poems, looking at meaning and experimenting with writing their own. So great to see such creativity among the poems!

### MATHS

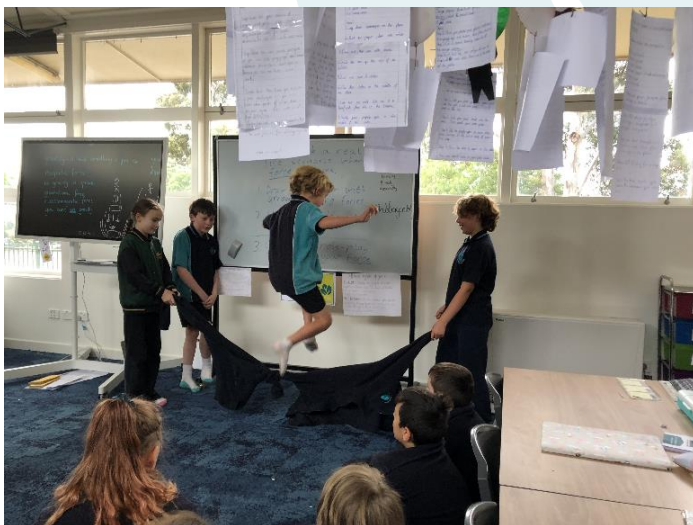

In the last few weeks we have looked at chance activities, designed graphs and practiced gathering information from existing graphs. This week we are focusing on Area & Perimeter. Was great to head out to the basketball court to measure the courts using trundle wheels, then work out their perimeter and area.

### ENQUIRY

As part of our unit on Power, students worked in groups to design and build a model town. Along with the building, the groups needed to identify the system of government and the rules and laws. We are in the final stages of building our 'city' and look forward to presenting in front of the grade.

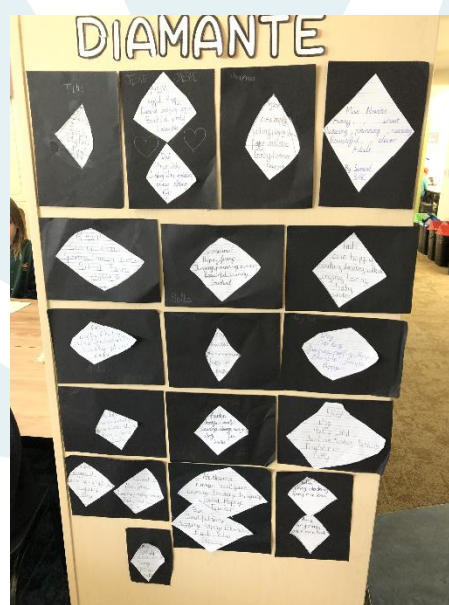

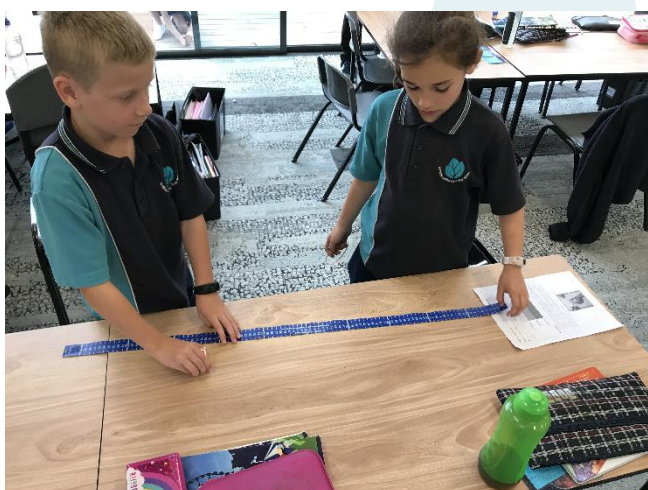

### SCIENCE

Students have had fun learning about push, pull, gravity and friction. In the last few weeks of this unit, groups have created a 'scenario' to act out that involved one of these forces. To finish our topic, groups designed a game that had to include at least one of the forces.

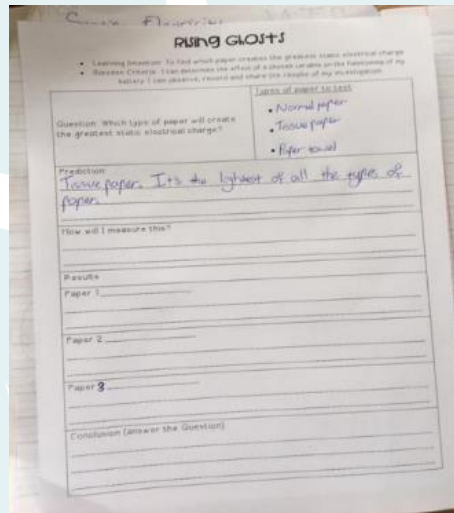

## Year 3/4 cont:

## Year 5/6:

Year 5/6 students have been busy with their experiment with static electricity. We conducted an experiment called Rising Ghosts where we tested a balloon with various types of materials such as tissue paper, paper towel and newspaper to see how high our ghosts could rise! We have been writing our procedures on our static electricity experiments.

Year 6 Graduation is nearly upon us and students have been busy compiling speeches for the big night. Equally as busy are our Year 5 students who have been carefully crafting their 2020 leadership speeches.

Lilydale High School is having a school tour for Year 5 students on Thursday 12<sup>th</sup> December. The tour starts at 9:15am and includes morning tea afterwards. Please contact Lilydale High School for more information.

**Lilydale High  
School**

## Literacy & Intervention:

As part of a Problem Based Project during term 2, 3 and 4, Sharna Thompson and Georgia Paynter from 3/4 D brainstormed, planned and ran a Sensory Fiddle Toy Store to raise money for the Children's Cancer Council. The girls worked hard to plan, make sensory toys and run their store. They presented their idea at Assembly and successfully ran the store in the Inside Activities room for 2 weeks. The girls did an amazing job running the store and selling their amazing handmade products. They raised over \$200 which will be presented to the Children's Cancer Council.

Well done girls on an amazing project and for raising such a wonderful total for such a worthy cause.

*Bridie Archer*

*Literacy Intervention and Extension  
Teacher*

### Term Four: Transition Sessions

Starting Prep is a big step for children and transitioning between Kinder and Prep can often come with mixed emotions. To ensure that all children have an opportunity to feel comfortable at Victoria Road Primary School we offer structured transition sessions.

During these sessions, we welcome children enrolled for Prep in 2020 to attend our four transition sessions. They will engage in classroom activities, meet the specialist teachers and office staff and generally get a feel for school life!

Whilst we recognise the importance of transitioning into school, we also recognise the importance of the kinder year. Kinder is such an important year and provides your children with many of the tools necessary to start school. It is for this reason that we chose not to start our transition sessions till the end of October. We have also chosen a variety of days and times. This will allow your child to experience different aspects of school life and allow them to build up to the last transition session where they will be asked to bring a packed lunch box. During this session they will also go out to the playground for recess where the teachers will closely supervise all children in one small part of the yard.

Our four transition sessions will take place on the following dates:

**Thursday, October 24<sup>th</sup>**

2.15pm - 3.15pm

**Wednesday, November 13<sup>th</sup>**

9.15am - 10.15am

**Tuesday, November 26<sup>th</sup>**

2.15pm - 3.15pm

**Tuesday, December 10<sup>th</sup> – Meet your 2020 Classroom Teacher & Buddy**

9.15am - 10.45pm

Please note that these sessions are only for students enrolled to start at Victoria Road Primary School in 2020.

## Hooptime Basketball

After a fantastic performance at the Regional Finals earlier in the term, the journey continues for the Victoria Road Raptors who earned themselves a place at the State Championships on Friday 29<sup>th</sup> November at Dandenong Basketball Stadium. We look forward to finding out how they go.

### VICTORIA ROAD RAPTORS TEAM

**Coach:** Garry Goodman

**Players:** Josh Goodman, Bailey Condon, Bryn Ballagh, Aaron Dooley, Cameron Noble, Jessica Dixon, Olivia Tahirovski, Kayley Anderson

## Lunchtime Tennis Program

Through funding we applied for through the Australian Sports Commission, a group of Year 2 students recently completed a 4 week coaching program with coaches from the Lilydale Tennis Club. Matt and Dallas played a heap of fun games with the group, while teaching them the fundamentals of tennis. Last week a group of Year 4 students began their 4 week program with the coaches.

It was amazing!  
(Lily)

The coaches  
were really  
good! (Anqus)

It was fun as  
we played a lot  
of games.

We learnt a lot  
about tennis! (Ella)

## MUSIC:

As we approach the end of the year, our Senior Choir has been fortunate enough to be invited to perform at two locations.

On the Tuesday 3<sup>rd</sup> December at 10am at Chirnside Park Shopping Centre and then we head to Lilydale North Pre School at about 10.45am

You are more than welcome to come along to enjoy the talents of the Senior Choir.

Well done to all our Choir members who have been rehearsing very hard!

Sing loud, sing out and sing from your heart!

## School Activities & Fundraising:

# Family Christmas Night!

**Thursday 5<sup>th</sup> December**

5.00 - 5.30 Enjoy some music from our Special 'Staff' guests!

5.30 – 6.15 NoiseCraft Performances

6.15 – 7.00 Christmas Carols, All Children

**COFFEE VAN!**

**FACE PAINTING!**

**JUMPING CASTLE!**

**BBQ Sausages & Hamburgers!**

**ICE-CREAM VAN!**

## School Activities & Fundraising:

**THE COLOUR CRAZE  
THAT'S SWEEPING  
THE NATION™**

The day is finally here! **Friday 29<sup>th</sup> November IS RUN4FUN COLOUR EXPLOSION!**

Please remember to wear your school uniform and bring your light coloured clothes with you to change into before the event.

The run will start at 2.30pm until 3.30pm

Come along and support your kids!

Thank you for your participation, and get ready for a BLAST OF COLOUR!

**Fundraising Team**

# Gardening Friends Group:

## An invitation to join us!

This volunteer team has been meeting at the school on Wednesday mornings for the past year and they have:

- ✓ re-established some of the garden areas
- ✓ improved the composting system
- ✓ taken part in weeding, clearing, pruning, mulching and general maintenance
- ✓ been involved in propagating and planting
- ✓ participated in sourcing materials

This year, the name changed from the Grand-friends Group to the **Gardening Friends Group** to better reflect who we are looking for and the current makeup of the group. If you are **available and interested** in working outside in the school's gardens or in any other activity listed above, that is **all** that is required.

You can learn new skills along the way and of course share your knowledge with the team. We operate on a shoe string budget and do much of our own propagating and resourcing. That is all part of the fun!

***Gardening Friends team is keen but small in number and the long term vision for the grounds very large!***

Calling parents, grandparents, friends - male, female, retirees, locals - in fact anyone who would like to commit to this team - regularly or from time to time.....

## WE NEED YOUR HELP!

***Please leave your name and contact details at the office. You will be contacted by Sue Chambers from the Gardening Friends Group.***

## Community Notices

My name is Dimitra, I am a parent at Victoria Road PS and last year began my own business called Eat, Prep, Love. I am passionate about cooking and love making healthy and easy alternatives to take away!

Some comments from my customers include the following:

- "Absolutely delicious restaurant quality. Even enough for the next night. Will definitely order again. Thanks so much"
- "I didn't just like it, I loved it!"
- "Dimitra we so look forward to the nights you cook for us! Your meals make dinner time easy and delicious. Thank you!"
- "Amazing food, freshly prepared, generous serving sizes for the whole family!! You make the crazy juggling in my life so much easier! Thankyou"

#### Details:

- All meals serve 4 and range between \$25-\$30
- Meals can be picked up from my house - The Gateway, Lilydale  
Please message me to arrange pickup - M. 0409 212 726
- Meals need to be ordered a week in advance
- Payment is made via direct debit
- Details of exact meals, prices and order cut off dates can be found on my Facebook page - 'Eat, Prep, Love'

A unique way to boost your fundraising efforts

# SCHOOL REWARD PROGRAM

***Your school community's love of movies  
provides your school with rewards!***

Reading Cinemas wants to help your school's fundraising efforts by providing you with complimentary movie passes.

These passes can be used however your school deems appropriate...

fundraising, staff incentives, student prizes, whatever you need!

It's easy for your school to be involved and start earning free movie passes:

- Personalise each coupon below so as it can be identified as coming from your school.
- Photocopy as many of these coupons as you wish.
- Distribute these coupons throughout your school community (remember the more you give out, the more movie passes you are likely to receive).
- Explain to your school community that to assist their school's fundraising efforts, they need to present one of these coupons every time they purchase a ticket at Reading Cinemas.
- One coupon per paid ticket.

**For every 20 coupons handed in, your school receives one  
complimentary movie pass. Start fundraising the EASY way today!**

NOTE: Coupons will be tallied in the month following each school holiday period and be posted to schools accordingly.  
Conditions apply to complimentary passes.
